

NAUTIC STAR CREW

The strong Allrounder

Profile

The Nautic Star CREW is a suspended and certified (12G) modular seat concept originally designed for crew members on offshore supply vessels, wind farm transfer vessels and similar kind of workboats.

The seat offers safe, secure and comfortable seating at any time even in rough conditions.

Recommended application

Crew boat, offshore supply vessel, passenger vessel

Article Code

Individual

Serial features

- Mechanical suspension
- Weight adjustment
- Adjustable headrest
- Foldable armrests
- Adjustable backrest

Options

- Box (measurements on request)
- Turntables
- Seatbelts
- Footrests

New: Bench-seat

The seats can be mounted in a row configuration on just one light weight aluminium base (up to six seats in a row are possible). Mounted like passenger seats, but offering the comfort of a highly functional operator seat.

HEIGHT	H 1	H 2	W 1	W 2
D (mm)	670-730	1460-1520	490	670
fixed (mm)	on req.	on req.	490	670

All measurements rounded.
Relevant measurements on technical drawing.
